FULL DISCLOSURE POLICY AFFECTING CME ACTIVITIES

Clinical Center Grand Rounds

Lipsett Amphitheater
Bethesda, Maryland
August 26, 2015

As a provider approved by the Accreditation Council for Continuing Medical Education (ACCME), it is the policy of the Johns Hopkins University School of Medicine Office of Continuing Medical Education (OCME) to require signed disclosure of the existence of financial relationships with industry from any individual in a position to control the content of a CME activity sponsored by OCME. Members of the Planning Committee are required to disclose all relationships regardless of their relevance to the content of the activity. Speakers are required to disclose only those relationships that are relevant to their specific presentation. The following relationships have been reported for this activity:

SPEAKERS NAME AND LECTURE TITLES	RELATIONSHIP(S)
Scott Kim, M.D., Ph.D. Risk-Benefit Analysis in Clinical Research: What is the Role of Equipoise?	

No speaker has indicated that they have any financial interests or relationships with a commercial entity whose products or services are relevant to the content of their presentations.

No planner has indicated that they have any financial interests or relationships with a commercial entity.

Note: Grants to investigators at the Johns Hopkins University are negotiated and administered by the institution which receives the grants, typically through the Office of Research Administration. Individual investigators who participate in the sponsored project(s) are not directly compensated by the sponsor, but may receive salary or other support from the institution to support their effort on the project(s).

OFF-LABEL PRODUCT DISCUSSION

The following speakers have disclosed that their presentation will reference unlabeled/unapproved uses of drugs or products:

NAME AND LECTURE(S)	Product

No speaker has indicated that they will reference unlabeled/unapproved uses of drugs or products.

EVALUATION FORM

Clinical Center Grand Rounds at the National Institutes of Health

August 26, 2015

Please complete the Continuing Medical Education Questionnaire. To indicate your answers, use the rating scale that is shown by circling the number that represents your answer.

Scale: 1 - None or Not at all 2 - Very little 3 – Moderately 4 – Considerably 5 – Completely N/A - Not applicable

Speaker: Scott Kim, M.D., Ph.D.

Objective:

A. <u>Rating of Objectives and Activity</u>

1. Please rate the attainment of objectives:

   a. Define options and alternatives that will guide clinical practice 1 2 3 4 5 N/A

   b. Evaluate practical information about clinical research principles based on state-of-the-art information about scientific discovery and clinical advances 1 2 3 4 5 N/A

   c. Analyze information and opportunities to increase and improve collaboration between investigators 1 2 3 4 5 N/A

2. The overall quality of the instructional process was an asset to the activity: 1 2 3 4 5 N/A

3. To what extent did participation in this activity enhance your professional effectiveness? 1 2 3 4 5 N/A

4. Will you change your practice in any way as a result of attending this activity? 1 2 3 4 5 N/A
