

CURRICULUM VITAE

HOLLY ANN TAYLOR

PERSONAL DATA

EDUCATION AND TRAINING

- 1999 Doctor of Philosophy, Department of Health Policy and Management, Johns Hopkins Bloomberg School of Public, Baltimore, MD. Program in Law, Ethics and Health.
Dissertation Topic: Recruitment of HIV-Infected Children into Clinical Research Protocols
- 1990 Master of Public Health, School of Public Health, University of Michigan, Ann Arbor, Michigan. Program in Public Health Policy and Administration.
Thesis Topic: Expanding Access to Antiretroviral Therapy for People with HIV/AIDS
- 1987 Bachelor of Arts, Stanford University, Stanford, California. Human Biology.

PROFESSIONAL EXPERIENCE

- 6/19-present Research Bioethicist, Department of Bioethics, Clinical Center, National Institutes of Health, Bethesda, MD.
- 6/19-present Senior Associate, Department of International Health, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD.
- 10/11 – 5/19 Associate Professor, Department of Health Policy and Management, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD.
- 4/99 – 5/19 Core Faculty, Johns Hopkins Berman Institute of Bioethics, Baltimore, MD.
- 7/04 – 9/11 Assistant Professor, Department of Health Policy and Management, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD (tenure track; 7/06).
- 9/02-6/06 Associate Director, Greenwall Fellowship in Bioethics and Health Policy, Johns Hopkins Berman Institute of Bioethics, Baltimore, MD.

- 9/00 - 6/04 Assistant Research Professor, Faculty of Health and Public Policy, Department of Health Policy and Management, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD.
- 1/00 - 8/00 Assistant Scientist, Faculty of Health and Public Policy, Department of Health Policy and Management, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD.
- 3/99 - 12/99 Research Associate, Faculty of Health and Public Policy, Department of Health Policy and Management, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD.
- 10/97 - 10/99 Project Director, Improving Understanding in Early Phase Clinical Trials Project, Department of Health Policy and Management, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD.
- Coordinated project to improve the understanding of research among oncology patients considering enrollment in early phase clinical trials. Participated in development of study instruments. Developed project implementation plan. Conducted brief and in-depth interviews. Supervised interviewers. Managed quantitative and qualitative data. Conducted qualitative analysis. Maintained contact with collaborating health care providers. Prepared various reports.
- 6/95-1/97 Project Director, Family to Family Project, Department of Pediatrics, Johns Hopkins School of Medicine, Baltimore, MD.
- Coordinated project to develop a community-based intervention to assist HIV-affected families in planning for future placement of their children. Developed and conducted survey and created resource guide of available services to HIV-affected families in Baltimore City. Developed and conducted in-depth qualitative interviews with professionals currently providing services to HIV-affected families. Coordinated qualitative analysis of data collected through professional interviews and focus groups with HIV-affected family members.
- 8/92-8/94 Special Assistant to the Director, National Institute of Allergy and Infectious Diseases, National Institutes of Health, Bethesda, MD.
- Served as AIDS and women's health coordinator for the Office of the Director (OD), NIAID. Developed materials for OD in support of activities related to mission of NIAID. Provided special expertise and assistance to the Director in support of carrying out his duties as Director, NIAID.

- 8/90-7/92 **PRESIDENTIAL MANAGEMENT INTERNSHIP**
Competitive Federal Government program to attract Masters level students to public service. Home Office and Rotational Assignments listed below.
- Home Office:*
- 8/90 - 2/91 Program Analyst, National AIDS Program Office, Office of the
9/91-1/92 Assistant Secretary for Health, Public Health Service, Department of Health and Human Services, Washington, DC.
- Assisted CDC Desk Officer in advising Assistant Secretary for Health on policies and issues related to HIV/AIDS. Reviewed and analyzed agency plans and budget submissions for consistency with PHS policies and strategies. Prepared special reports and briefing materials on HIV/AIDS-related issues.
- Rotational Assignments:*
- 1/92-7/92 Poverty, AIDS and Disability Policy Office, U.S. Senate Committee on Labor and Human Resources, Washington, DC.
- Participated in development and management of comprehensive youth health and social services legislation. Interacted with constituency group representatives. Responded to HIV-related constituent inquires.
- 6/91-9/91 San Mateo County AIDS Program, San Mateo County Department of Health Services, San Mateo, CA.
- Wrote request for proposals for Bay Area HIV Services Regional Strategic Plan and coordinated proposal process. Reviewed and coordinated Federal and state funding reporting requirements. Developed HIV/Mental Health Resource Directory for the County.
- 2/91-6/91 National Commission on AIDS, Washington, DC.
- Drafted paper on the federal response to the AIDS epidemic for the Commission's Comprehensive Report. Served as resource for Commission staff in regards to federal HIV/AIDS programs.
- 1/90-8/90 Research Assistant, Resource for Public Health Policy, School of Public Health, University of Michigan, Ann Arbor, MI.
- Assisted in development of Community AIDS Plan for Kent County, Michigan.

- 5/89-9/89 Health Policy Intern, AIDS Policy Center, Intergovernmental Health Policy Project, Washington, DC.
- Researched, analyzed, and tracked state legislation and policies related to HIV/AIDS. Rendered technical assistance on state HIV/AIDS policies to federal, state and local health officials and media representatives.
- 4/88-9/88 Staff Assistant, U.S. Senator Alan Cranston, Washington, DC.
- Screened all calls to office. Handled constituent inquiries over the phone and in the office. Responded to all student mail and requests.
- 9/87-4/88 Health Advocacy Intern, National Women's Health Network, Washington, DC.
- Monitored and analyzed federal health policy. Developed an AIDS Education/ Activity Project directed at college age women.

PROFESSIONAL ACTIVITIES

- 8/18-present Unaffiliated Member, Institutional Review Board, Central Intelligence Agency, Langley, VA
- 5/18 – present Co-Chair and Steering Committee Member, The Consortium to Advance Effective Research Ethics Oversight, Philadelphia, PA.
- 7/14-present Member, Steering Committee, Clinical Research Ethics Consultation Collaborative, Center for Translational Science Award, Bethesda, MD.
- 11/17-5/19 Member, External Evaluation Panel, Kidney Precision Medicine Project, National Institute of Diabetes and Kidney and Digestive Disorders, National Institutes of Health, Bethesda, MD.
- 12/13-5/19 Member, Data Safety and Monitoring Committee, Johns Hopkins Older Americans Independence Center, Baltimore, MD.
- 8/05 – 5/19 Member, Data Safety and Monitoring Board, Pediatric Heart Network, National Heart, Lung and Blood Institute, National Institutes of Health. Bethesda, MD.
- 1/18 -2/19 Member, Societal and Ethical Issues in Research Study Section (ZRG1 SEIR-B (80), Center for Scientific Review, National Institutes of Health, Bethesda, MD.

- 10/16-10/18 Advisory Committee Member, Predictive Risk Evaluation to Combat Overdose Grant. Behavioral Health Administration, State of Maryland and Johns Hopkins Center for Public Health Information, Baltimore, MD.
- 6/15-9/17 Steering Committee Member, Best Practices for IRB Review of Disaster and Emergency Related Public Health Research, National Institute of Environmental Health Sciences/NIH. Durham, NC.
- 3/14/17-3/15/17 Member, Scientific Review Group for Kidney Precision Medicine Project, National Institute of Diabetes and Kidney and Digestive Disorders, National Institutes of Health, Bethesda, MD.
- 1/09-7/14 Member, Steering Committee, Consultation Working Group, Committee on Research Ethics, Center for Translational Science Award, Bethesda, MD.
- 7/13-2/14 Member, Planning Committee, Contemporary Issues in Human Subjects Protections in Cancer Research, National Cancer Forum, Institute of Medicine, Washington, DC.
- 10/09 – 8/12 Chair, Working Group in IRB Quality Assessment, Clinical Research Ethics Key Functions Committee, Centers for Translational Science Awards, National Institutes of Health, Bethesda, MD.
- 1/02 – 12/12 Member, Data Safety and Monitoring Board, Intramural Program, National Human Genome Research Institute, National Institutes of Health. Bethesda, MD.
- 8/08 – 7/12 Member, Data Safety and Monitoring Board, Trial of Euglycemia after Cardiac Surgery, National Heart, Lung and Blood Institute, National Institutes of Health. Bethesda, MD.
- 2/10 – 5/11 Member, Special Immunizations Program (SIP) for Laboratory Personnel Engaged in Research on Countermeasures for Select Agents, National Research Council, National Academy of Sciences, Washington, DC.
- 6/08 – 12/08 Member, Confidentiality Summer Study Group, Maryland Department of Health and Mental Hygiene, Baltimore, MD.
- 6/08 Ad Hoc Member, Scientific Review Group, National Heart, Lung and Blood Institute, National Institutes of Health, Bethesda, MD.

- 1/08 – 7/09 Member, Committee on Research Needs for Retention of Variola Virus, Board on Global Health, Institute of Medicine, National Academy of Sciences, Washington, DC.
- 9/05 - 1/06 Workgroup Member, Multiplex Initiative, Social and Behavioral and Genome Technology Branches, National Human Genome Research Institute, National Institutes of Health. Bethesda, MD.
- 6/04 - 3/05 Member, HIV Testing Workgroup, Maryland Department of Health and Mental Hygiene, Baltimore, MD.
- 7/03 - 1/04 Workgroup Member, Workgroup to Study the Issue of HIV Testing Over an Individual's Refusal in the Event of an Occupational Exposure, AIDS Administration, Maryland Department of Health and Mental Hygiene, Baltimore, MD.
- 6/03 Ad Hoc Member, Scientific Review Group, National Institute of Child Health and Human Development, National Institutes of Health, Bethesda, MD.
- 1/00 -12/02 Member, Institutional Review Board, Intramural Program, National Human Genome Research Institute, National Institutes of Health. Bethesda, MD.
- 12/99 - 2/00 Member, Working Group on Willful Exposure of HIV, AIDS Administration, Maryland Department of Health and Mental Hygiene, Baltimore, MD.
- 10/99 - 12/00 Member, Institutional Review Board, Abt and Associates, Inc. Bethesda, MD.

Society Membership

- American Society for Bioethics and Humanities
Advisory Committee on Ethics Standards (5/06 – 10/07)
- American Public Health Association
Forum on Bioethics, Program Co-Chair (2000)
Forum on Bioethics, Section Co-Chair (2001)
- Public Responsibility in Medicine and Research
Scientific Review Committee (2014, 2015, 2016, 2017, 2018, 2019)

TECHNICAL ASSISTANCE/CONSULTATION

- 7/17 Food and Drug Administration. Invited Speaker. Ethical Considerations in Rabies mAb Development. Workshop on Developing Rabies Monoclonal Antibody Products as a Component of Rabies Post-Exposure Prophylaxis. White Oak, MD
- 6/14 Institute of Medicine. Forum on Medical and Public Health Preparedness for Catastrophic Events. Invited Speaker. Panel: Addressing Institutional Review Board Barriers to Health Research Implementation. Bethesda, MD
- 2/14 National Cancer Policy Forum, Institute of Medicine. Invited Speaker. The Current Landscape in Human Subjects Protections. Workshop on Contemporary Issues in Human Subject Research. Washington, DC.
- 5/13-7/13 Johns Hopkins School of Education. Best Practices in Enrollment of Students in Educational Research Initiatives. Baltimore, MD
- 5/12 Presidential Commission for the Study of Bioethical Issues. Invited Speaker. What ethical issues ought to be considered prior to medical countermeasure research with children? Washington, DC.
- 2/12 Food and Drug Administration. Invited Speaker. Are there sound ethical reasons for a pre-event study of pediatric countermeasures? Workshop on Pediatric Development of Countermeasures: Ethical and Regulatory Issues. Washington, DC.
- 7/09 Secretary's Advisory Committee on Human Research Protections. Invited Speaker. Measuring Ethical Goals of Research Oversight. Panel Member. How to Measure IRB Effectiveness? Arlington, Virginia
- 2/09 Centers for Disease Control and Prevention. Is there a role for PrEP during conception and pregnancy for HIV-uninfected persons with HIV-infected partners? Technical Expert Meeting. Washington, DC.
- 11/08 Committee on Population, National Academy of Sciences. Invited Speaker. What are current practices and state-of-the-art approaches to the process of informed consent? Workshop on Collecting, Storing, Accessing, and Protecting Data Containing Biological Measures, Sponsored by National Institute on Aging, National Institutes of Health. Washington, DC.

- 9/07 Division of Cancer Treatment and Diagnosis, National Cancer Institute, National Institutes of Health. Invited Speaker. What ethical issues ought to be considered in the design and implementation of Phase 0 Trials? Workshop: Phase 0 Trials in Oncologic Drug Development. Bethesda, MD.
- 4/05 HIV/AIDS Bureau, Health Resources and Services Administration. Invited Speaker. What ethical issues ought to be considered when engaging HIV-infected patients in health care? Engaging in Care Consultation. Washington, DC.
- 8/01 Office of Health Programs, US Department of Energy. Invited Speaker. What ethical issues ought to be considered when implementing screening of former Department of Energy workers exposed to beryllium? Washington, DC.
- 8/03 - 7/04 Center for Practice Management and Outcomes Research, Health Services and Development Unit, Veteran's Administration. What methods ought to be used to assess IRB review documents? Best Precedents in Human Subjects Protections for Health Services Research. Ann Arbor, MI.
- 9/00 - 3/01 National Academy of Science. How should the Committee to Review Studies Involving Human Subjects enhance their practice? Washington, DC.

EDITORIAL ACTIVITIES

- 9/15-present Editor-in-Chief, American Journal of Bioethics – Empirical Bioethics
- 9/14-4/19 Associate Editor, Oxford Handbook of Public Health Ethics, volume in preparation; Section Editor for 3 sections:
 - How Public Health Does Its Work – 3 Chapters
 - Data Collection – 4 Chapters
 - Communicable Disease – 4 Chapters
- 1/13-7/18 Associate Editor, Challenging Cases in Research Ethics Editor American Journal of Bioethics
- 10/11-9/15 Advisory Board, Journal of Empirical Research on Human Research Ethics
- 12/06 – 5/15 Associate Editor, Clinical Trials

Peer Review Activities (ad hoc review of manuscripts)

American Journal of Public Health
 Bioethics
 BMC: Medical Ethics
 Hastings Center Report
 IRB: Ethics and Human Research
 Journal of the American Medical Association (JAMA)
 Journal of AIDS
 Journal of Empirical Research on Human Research Ethics
 Journal of General Internal Medicine
 Journal of Health Politics, Policy and Law
 Journal of Viral Eradication
 Journal of Women's Health
 New England Journal of Medicine (NEJM)
 Patient Education and Counseling
 Public Health Reports
 Social Science and Medicine

HONORS AND AWARDS

- 1999 Mentored Scientist Development Award in Research Ethics, National Institutes of Health
- 1999 Delta Omega Honor Society, Member
- 1995 Gustave Martin Award for Innovative AIDS Research, Department of Molecular Microbiology and Immunology, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD.
- 1995 Victor P. Raymond Award In Public Policy Development, Department of Health Policy and Management, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD.
- 1993 Director's Award, National Institute of Allergy and Infectious Diseases, National Institutes of Health, Bethesda, MD.

ACADEMIC SERVICE

Department

- 9/16-5/19 Chair, Committee on Diversity and Inclusion, Department of Health Policy and Management, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD.
- 9/15-5/19 Member, Academic Policy and Admissions Committee, Department of Health Policy and Management, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD.
- 9/15-5/19 Program Director, PhD Concentration in Bioethics and Health Policy, Department of Health Policy and Management, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD.
- 8/15-2/16 Departmental Self-Study Committee, Department of Health Policy and Management, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD.
- 9/07 – 5/17 Faculty Sponsor, Certificate in Bioethics and Public Health Policy, Department of Health Policy and Management, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD.
- 12/12 - 3/13 Search Committee, Faculty for Institute of Health and Social Policy, Department of Health Policy and Management, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD.
- 1/11 – 12/12 Member, Institute for Policy Studies Academic Subcommittee, Department of Health Policy and Management, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD.
- 9/09 - 8/10 Member, Admissions Committee, Department of Health Policy and Management, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD.
- 12/04 – 7/09 Member, Qualifying Exam Committee, Department of Health Policy and Management, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD.

School of Public Health

- 3/12 – 5/19 Member, Academic Ethics Board, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD.

- 9/11 – 7/13 Member, Faculty Senate, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD.
- 8/01 - 1/02 Member, Committee on Human Research (Institutional Review Board - #3), Johns Hopkins Bloomberg School of Public Health, Baltimore, MD.
- 1/01 - 6/06 Member, Committee on Human Research (Institutional Review Board - #2), Johns Hopkins Bloomberg School of Public Health, Baltimore, MD.
- 9/95 - 11/97 Member, Committee on Human Research, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD.

Berman Institute of Bioethics

- 1/12 – 5/13 Member, Bi-Weekly Seminar Series Committee, Johns Hopkins Berman Institute of Bioethics, Baltimore, MD.
- 3/12 – 2/13 Member, Public Health Strategic Planning Committee, Johns Hopkins Berman Institute of Bioethics, Baltimore, MD.
- 3/12 – 2/13 Member, Research Ethics Strategic Planning Committee, Johns Hopkins Berman Institute of Bioethics, Baltimore, MD.

School of Medicine

- 12/99 -2/12 Discussion Group Leader, Research Ethics Workshops About Responsibilities and Duties of Scientists (formerly Course on Research Ethics), Johns Hopkins School of Medicine, Baltimore, MD.
- 9/02 - 6/06 Member, Johns Hopkins Medicine Institutional Review Board - #2, Johns Hopkins School of Medicine, Baltimore, MD.

PRESENTATIONS

Scientific Meetings
