* Indicates non-educational activities

Professional Education Services Group (PESG) is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. Please refer to the ACPE Universal Activity Numbers listed above. Each presentation provides 1.0 contact hours (0.10 CEUs) of continuing education credit and a maximum of 4.0 contact hours (0.40 CEUs) for attending all presentations. Release Date: 04/30/2011. PESG designates each presentation as Knowledge-based. Successful completion requires the participant to attend presentations in their entirety and complete an online evaluation for each title. Participants will be able to print their Statement of Credit online following the conclusion of the program. This program is fully supported by the National Institutes of Health and has no other sponsor.
