* Indicates non-educational activities

The University of Maryland School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. These presentations meet the ACPE criteria for one contact hour (0.1 CEUs) each of continuing education credit. Statements of credit will be mailed to participants within 60 days to those who successfully complete one or more presentations in the program. Successful completion of a presentation requires attendance at the entire presentation and completion of the presentation's post-test and program evaluation form. The post-test and evaluation form must be submitted online within 10 days of the conclusion of the program. This program is fully supported by the National Institutes of Health and has no other sponsor.
