

# FOOD ALLERGY STUDY

**Do you have food allergies? Would you like to learn more about how they may be affecting your nutritional health?**

**The National Institutes of Health (NIH) is looking for people 2 years of age or older who have had an allergic reaction to at least one food. Participants will receive a nutritional evaluation and consultation with a registered dietician.**

**An individualized nutritional management plan will be provided. All services are free of charge. Compensation is provided.**
