NIH Medical Research Scholars Program Application Webinar

9 November 2023
AGENDA

- Welcome
- Program Overview
- MRSP Administrative Topics and Application Process
- Scholar Panel
- Q&A (send questions via chat)
Tom Burklow, M.D.
Director, Office of Clinical Research Training and Medical Education
WELCOME

Dina Parekh, M.D.
Director, Medical Research Scholars Program
Susan Leitman, M.D.
Academic Director, Medical Research Scholars Program
A comprehensive, year-long research enrichment and career development program for medical, dental, and veterinary students

Located on the NIH Bethesda and satellite research campuses

Co-sponsored by the NIH and private partners via contributions to the Foundation for the NIH

Scholars are engaged in a mentored basic, translational, or clinical research project with an experienced research mentor that matches their professional interests and career/research goals
PROGRAM ELEMENTS

- Proctored Journal Club
- Process of Discovery Lectures
- Development Workshops (interview skills, CV writing)
- Clinical Teaching Rounds
- Mentor Advisor
- Networking
- Core Investigation Experience
Advisor
- Oversees the Scholar's training
- Helps to identify a research Mentor
- Offers guidance and career counseling

Research mentors
- Identified by Scholar prior to arrival
- Oversees research project
- More than 350 select NIH mentors
DIDACTIC CURRICULUM

- Lecture presentations highlighting the continuum of scientific discovery
- Training in the understanding of clinical protocol development and the conduct of human subjects research
- Journal Club presentations by the Scholars
- Focused clinical teaching rounds with patients participating in research protocols at the NIH Clinical Center
'23-'24 CLASS PROFILE

Class size
- 52 Scholars

Gender
- 29 women (56%)
- 23 men (44%)

Diversity
- URM 17%

Class Year Distribution

- 2nd: 5
- 3rd: 46
- 4th: 1

Administrative Topics and Application Process

Tonya Shackelford and Kenny Williams
MRSP Program Administrators

Jennifer Simmons
Lead Management Analyst
PROGRAM BENEFITS

• Annual stipend (~$50,400) distributed in monthly payments
  • Stipend is prorated should you commit to a 10 or 11 month timeframe

• Relocation expenses for arrival to NIH and return to your home institution

• Educational Fund
  • Scientific courses via the Foundation for Advanced Education in the Sciences
  • Domestic conference travel
  • Textbooks related to research project

• Health insurance – supplemental to the stipend
• Limited furnished apartment-style housing offered by NIH on the Bethesda Campus

• Personally selected off campus housing within the local D.C., Maryland and Virginia (DMV) area or other NIH campus locations, i.e. North Carolina and Montana
  • Remote work is not permitted in areas outside of NIH established locations in which you are conducting your research
## APPLICATION TIMELINE

<table>
<thead>
<tr>
<th>Date</th>
<th>Event</th>
</tr>
</thead>
<tbody>
<tr>
<td>October 1st</td>
<td>Application Opened</td>
</tr>
<tr>
<td>January 5th, 5PM ET</td>
<td>Application and References Deadline (applications must be complete)</td>
</tr>
<tr>
<td>Mid February</td>
<td>Notification of Selection for Interview</td>
</tr>
<tr>
<td>March 5th and 6th</td>
<td>MRSP Interviews (virtual)</td>
</tr>
<tr>
<td>March 15th</td>
<td>Notification of Selection to Participate</td>
</tr>
<tr>
<td>March 22nd</td>
<td>Uniform Deadline to Accept Offer (MRSP, Sarnoff, others)</td>
</tr>
<tr>
<td>April 19th</td>
<td>Pre-Arrival Visit for 2024-2025 Scholars</td>
</tr>
<tr>
<td>July</td>
<td>Scholars arrive at NIH to begin their year (several arrival dates offered to accommodate home school schedules)</td>
</tr>
</tbody>
</table>
ELIGIBILITY CRITERIA

- Medical students participate after 2nd, 3rd, or 4th year
- Dental and veterinary students generally participate after 2nd or 4th year, due to integrated nature of clinical years
- Must be a U.S. citizen or permanent resident of the U.S.
- Good standing in medical, dental, or veterinary school
- Must attend an LCME accredited medical, CODA accredited dental, AOA accredited osteopathic, or AVMA accredited veterinary institution
ELIGIBILITY CRITERIA

- Approval from Dean or Associate Dean

- Applicants in their 4th year who are selected must make arrangements with their school to defer graduation until completion of MRSP

- 4th year students participating in the National Residency Matching Program during the application cycle are ineligible

- Candidates currently enrolled in PhD or MD/PhD programs are ineligible
APPLICATION PROCESS

  - Cover letter/personal statement
  - Curriculum Vitae
  - Three letters of recommendation
    - Dean or Associate Dean
    - Two professional references

- **Unofficial** transcript from medical/ dental/ veterinary school

- **Unofficial** transcript from undergraduate institution
SUCCESSFUL APPLICATION TIPS

- Strong personal statement articulating why you want to participate in the MRSP, including past experiences (personal, clinical, research) that led to this decision, and future career plans

- Prior research experience is desirable but not required

- Dean’s letter: not just “in good standing,” but insightful comments on your past achievements and future promise

- Your two professional references are from people who can speak to your attributes and research potential
